Track Talk

May 16, 2010

The 2010 race season at Auto Clearing Motor Speedway started with a moment of silence in honour of Neil Wagner, who was tragically killed in a traffic accident a few weeks ago. Race teams gathered along the inside wall to welcome fans to the new season and to honour Neil.

Veterans Clean Up

Race fans may have been feeling a bit of déjà vu Saturday night as they saw the same drivers picking up checker flags over and over. In the SKL Trailers Pro Truck division, the No. 01 Team Lesko Racing truck of Alex Leschenko picked up all three checkered flags in the heat, qualifier and feature races.

In the Budget Car and Truck Rental Street Stock division, Trevor Freemantle brought his car in from the dirt track at Outlook and took first in all three races. 2008 champion Todd Jalbert picked up wins in the three races in the Parts Source Mini Stock division in his No. 4 Sponge Car Square Tires Honda.

The only ones to share was in the Cooper Tire Thunder Stock division, where last year's champion Barry Stefaniuk took the top spot in the heat race and feature with his No. 81 Led Sled Impala, but followed Mickey Pagoda's No. 49 Prairie Meats Special Impala across the line in the Qualifier.

Large Crowd Enjoys Season Opener

A very large crowd was on hand Saturday evening for the season opening races at Auto Clearing Motor Speedway. Several thousand race fans took advantage of the terrific weather as they filed through the gate to fill the stands.

Saskatoon Stock Car Racing Association President Trent Seidel was extremely pleased with the crowd. "We've been working extremely hard in the community, getting the word out that Saskatoon has this fantastic world class facility right in its backyard. We seen the crowd sizes building since the NASCAR Canadian Tire Series race last year. Our goal was to kick the season off with a good crowd and we've achieved that. I can't wait to race in front of a crowd like this next week." (when the WSSL Auto Parts Super Late Models hit the track.)

The SKL Trailer Pro Trucks are always good for some three and four wide racing. Here last year's Street Stock champion Scott Lucas is being chased down by last year's Pro Truck champion Ken Ross
